

Stanley Vidmar CONTAINER STORAGE

**TOUGH
STORAGE
SOLUTIONS™**

Maximize and organize storage containers!

Stanley® Vidmar® Container Storage is the perfect solution for maximizing space in **quadcons, tricons, ISU and ISO containers, and other applications.** Fully utilizing left-to-right and vertical storage space, Vidmar container storage cabinets organize materials, providing specific, identifiable locations for every item.

Discover the benefits!

Two Construction Options:

- Standard cabinet housings provide the ultimate in durability
- Enhanced configurations with a rugged frame construction that helps minimize load weight

Secure Storage: Inventory is protected from damage, loss, dust, and dirt at all times—even during shipping.

Space-Efficient: Vidmar's container storage maximizes all existing vertical and horizontal space.

Maximum Organization: Store and organize all size parts—even bulky, odd-sized inventory items.

Endless Applications: Ideal for military uses to mobile field offices to repair centers.
