

Stanley® Vidmar® WEAPONS STORAGE

**While you protect our security,
we'll protect yours.**

Now U.S. Army-Certified for Small Arms Storage.

The security of your weapons is of the highest priority. So is knowing they're exactly where you need them when you need them most. Settle for nothing less than Stanley® Vidmar® heavy-duty weapons storage:

- Highest level of security for contents with integrated locking mechanism
- Additional layer of safety and security with shock bar
- Verified as meeting the requirements of paragraph 4 (a-d) of the Small Arms Storage Rack Certification Document, part of AR 190-11 for the physical security of arms, ammunition, and explosives
- Weapons cradles configured to your unique requirements
- Easily integrated into a variety of Stanley® Vidmar® storage systems
- Extreme space savings over shelving-style weapon storage—approximately 40-45 weapons vs. 10
